KEEPING EVERYONE IN
THE PICTURE—24/7

GO 4 Schools CPD events
are developed with the
ethos of :

‘Improving together’

We aim to extend your
knowledge and confidence
in school data, to support
a sustained
implementation and the
opportunity to share
practice across schools.

Our customers receive the
most relevant and up to
date information about a
range of modules and key
updates in education and
functionality.

Building and
strengthening our
response to schools’
requirements to ensure
we are supporting you
effectively.

Advice and training in all
key modules of GO 4
Schools is available
delivered by the Education
Services team.

Course Details:

- ⇒ Are you a senior or middle leader responsible for assessments and GO 4 Schools?
- ⇒ Are you preparing for your first academic year change in GO 4 Schools, would you like a reminder of what key tasks you need to complete?
- ⇒ Would it be useful to discuss your approach with like-minded school leaders?

If the answer to these questions is YES, Then this course, which is a combination of our popular start and end of academic year training sessions, is ideal to give you an overview of the key processes involved to ensure your set up of GO 4 Schools is completed effectively.

This training session will focus on:

- Markbook copying - structure, grades and mark sheet level data.
- Qualifications and subject preparation - QANs, markbook structures and attributes etc
- Staff, pupil and parent access control—mapping file, access rights, parental and pupil view.
- Uploading data into markbooks—KS2 and targets.
- Creating subject links - Strands of learning, flight paths and pop-outs.

Available sessions:

Wednesday 19th June - 9.15am - 11.15am

This course is specifically for:

Data Managers, Senior or middle leaders.

GO 4 Schools is a powerful, joined-up, easy-to-use, online system that allows your staff, students and parents to access the information they need – 24/7 – to work together to improve student outcomes.

School information

GO 4 Schools drives every aspect of our support for pupil attainment, attendance and behaviour. We use the full suite of modules to track pupil progress, identify barriers, intervene and monitor the impact of our intervention as well as communicating with pupils and their parents/carers.

We believe in the principle of collaboration, both within and beyond our local community. We are happy to share our journey with other schools whilst continuing to develop our own practice.
